

## A SPECIAL MESSAGE FROM **IBEW LOCAL 11**

“Return your **NO ballot** on the recall today. The recall is an attempt by anti-union and anti-worker forces to grab power in California.

That would mean fewer jobs, lower wages and benefits, and less protections.

You should have your ballot by now. If you don't, call **916-653-6814** to get a new one.

Don't let them succeed – return your mail ballot **TODAY.**”
